Welcome to the 2025 NEWEA Spring Meeting!

Please join us in beautiful downtown Portland, ME at the Holiday Inn Portland – By the Bay Hotel May 11-14 for the 2025 NEWEA Spring Meeting. The Spring Meeting is a great opportunity for friends and colleagues to network and discuss the latest water quality practices, technologies, solutions, and regulations. This event will offer opportunities to attend technical sessions, earn Training Contact Hours (TCH), play a round of golf in our annual Golf Tournament, support the teams competing in the Operations Challenge, and much more.

Monday morning kicks off with the Opening Session and breakfast, followed by concurrent technical sessions on Strategic Planning and Stormwater/Flood Detection. In the afternoon, attendees can choose to attend a session on Infrastructure Funding, or play in the Golf Tournament at Nonesuch River Golf Club. Visit with our exhibitors between 7:30 am – 7:30 pm. The day will conclude with the Welcome Reception and 5S induction ceremony.

Start your Tuesday morning with a brisk walk, run, or bike ride with our NEWEA cyclists. Our technical program will resume with concurrent morning technical sessions on Biosolids and Workforce Development and afternoon sessions on PFAS and Operators' Perspectives. The Exhibit area will be open from 8:00 am – 5:00 pm. The day will come to a close with a Reception.

The meeting will conclude on Wednesday with sessions on Plant Operations and Resiliency. In addition to our technical program, the Operations Challenge will take place throughout the meeting. Setup begins Sunday, with the first events taking place on Monday and continuing throughout the day on Tuesday. Awards will be presented to the winning teams during Tuesday evening's reception.

We look forward to connecting with our water industry friends and colleagues. We hope to see you in Portland May 11-14.
